

Important Reminders for New Students

Dear New Student,

Welcome to the Graduate School of Natural and Applied Sciences (GSNAS). We wish you every success in your courses and research studies at GSNAS. We have prepared a quick **to do list** for you. **Please read the following list carefully and make sure you take the necessary actions.**

- **GSNAS orientation** will be held on **October 15th, 2018** Monday from 16.00 to 18.00 in Üzeyir Garih Room at Rectorate Building, 5th Floor. **Attendance is mandatory for new students.** This is your chance to ask questions to school administration.
- To obtain your username and password for Course Registration System OBS, please contact Ms. Tülay Dalgıç (tdalgic@yeditepe.edu.tr). You can also reach her from 0 216 578 0491.
- Make sure you meet and talk with your academic advisor about the program requirements before starting to register any course. You can learn your advisor's name from OBS.
- Once you complete your course registration for the Fall 2018 Semester, go to COADSYS (<https://coadsys.yeditepe.edu.tr/>) and **enroll for the virtual class FBE 500** (using course code FBE500 passwd: FBE123). This is a virtual class which every student is expected to register only once. We use this class for general announcements about degree programs, seminars, rules and regulations. You can also access your curriculum information, flow chart diagrams for thesis submission and many more resources under this class.
- There will be two seminars in October 2018 regarding the preparation of scientific articles and library orientation. **Make sure you attend those seminars.**
 - *ScienceDirect, Scopus and Mendeley Seminar* will be on **October 8, 2018** Monday from 16.00 to 18.00 in Üzeyir Garih Room at Rectorate Building
 - *Library Orientation Seminar* will be on **October 15th, 2018** Monday at from 17.00 to 18:00 in Üzeyir Garih Room following the *Orientation program*
